DESCRIPTION:

Great property in a great location

We are delighted to offer this three bedroom bungalow in Bishopstown, Mothel, Carrick on Suir, Co. Waterford to the market. The property is located five kilometres outside of Carrick On Suir off the Dungarvan road. It is within commuting distance of Waterford City, Clonmel and Dungarvan. This three bedroom bungalow has been very well maintained both internally and externally and boasts a generous living area with three double bedrooms and a large main bathroom. The property is in need of slight modernisation but would make a beautiful family home. Stunning views of the Comeragh mountains and the beautiful Coumshingaun lake can be seen from the property. It has a large lawned area with a metal storage shed in place and a tarmac drive surrounding the property. This property has a new well board for water and the septic tank is on site. Nearby are the picturesque villages of Clonea Power and Rathgormack which have very good co -educational primary schools, shops and GAA club grounds. A strong community spirit is evident in the local area with many initiatives and committees active. This property would make a magnificent family home.
